2023

Annual Report

RCC Institute of Information Technology,
Canal South Road, Kolkata

A self-financing institute under an autonomous society of
Higher Education Department, Govt. of West Bengal

RCC Institute of Information Technology (RCCIIT) was set up in 1999 by the erstwhile Regional Computer Centre (RCC), Calcutta (in JU) as a unique joint venture of NIC, Ministry of Communication & IT, Govt. of India and Dept. of Higher Education, Govt. of West Bengal. In 2003 the lead role of management of RCCIIT was transferred to the State Govt. from Govt. of India. Since then RCCIIT is the only engineering college in the State which is run by an autonomous Society (RCC Institute of Technology) formed by the State Govt. Known as one of the oldest engineering colleges in the State it now ranks within top 10 private and govt. engineering colleges. Besides 8 govt. engineering colleges established and funded by the State, RCCIIT is the only self-financing engineering college for which the Board of Management (BOM) as well as the Governing Body (BOG) are constituted directly by the State Govt. with senior officials of Higher Education Department, Professors and Administrators of JU and WBJEEB and eminent academicians and industry persons. The State has made significant contribution in terms of land and fund for development of the institute since inception. Situated in a well-connected location of mega-metro Kolkata, spread on a sprawling 4.63 acres of land leased to the college by the State Govt., it has best-in-class infrastructure and teaching-learning resources. State Govt. pay structure for the faculty (and staff) and ample scope for their research and self-development ensures their dedicated service for the students.

The RCC Institute of Information Technology (RCCIIT) is now **NAAC Accredited with a B++ Grade and a Score of 2.94.**

The Institute has also achieved National Board Accreditation for the following 4 UG programs:

- ❖ **B. Tech in Information Technology**
- ❖ **B. Tech in Computer Science and Engineering**
- ❖ **B. Tech in Electronics and Communication Engineering**
- ❖ **B. Tech in Electrical Engineering**

Though the Institute has not yet featured in NIRF, it has recognized by **ATAL RANKING of INSTITUTIONS ON INNOVATION ACHIEVEMENTS (ARIIA)** as "**PROMISING**" under the category "Colleges/Institutes (Govt. & Govt. Aided) (Technical)".

Vision

To develop RCCIIT as one of the most advanced technical institutes of the State by imparting technical knowledge and skill of the highest quality through the use of state-of-the-art technological tools and thereby producing technical manpower fit for industries, research organizations and academia and by establishing the culture of interdisciplinary research and innovation (to cater to the social needs) in a congenial, inclusive and transparent work environment created by unbiased and visionary leadership and participative management.

We at RCCIIT undertake to impart knowledge and skill of the highest quality by applying technological innovations through the use of state-of-the-art technological tools for generating technical manpower as required in industries, research organizations and academia and to inculcate the importance of inter-disciplinary research and development that directly impacts the social needs of our country.

Mission

- ❖ To produce well trained good human beings with ethics and values, good interpersonal skill, team spirit and leadership capability and concern for the society and environment.
- ❖ To produce technical professionals with fundamental and cutting edge technological knowledge and skill, a flair for innovation and design, ability for analysis and application to meet the demands of real-life projects and challenges of research
- ❖ To select, groom and retain talented, qualified and committed faculty and staff under a fair and transparent HR policy
- ❖ To develop state-of-the-art infrastructure and learning resources for pursuing unhindered research and learning practices.
- ❖ To create congenial and inclusive work environment for all with zero tolerance on gender bias and ragging or harassment of any kind

Board of Management of RCCIT Society

The Board of Management (BOM) of RCCIT Society, which is the apex body having overall control of RCCIIT, is reconstituted by the Govt. of West Bengal in Higher Education Department every 3 years. The members of the present BOM are:

- ❖ Shri Siladitya Basuray : Chairman
WBCS Exe, Special Secretary,
Department of Higher Education,
Govt. of West Bengal
- ❖ Dr. Malayendu Saha : Vice-Chairman
Chairman, West Bengal Joint
Entrance Examination Board
- ❖ Shri Pranabesh Das : Member
Director of Technical Education
Department of Higher Education, Govt. of West Bengal
- ❖ Smt. Sampa Guha : Member
W.B.A & AS, Deputy Financial Advisor,
Govt. of West Bengal
- ❖ Mr. Sandipan Chakravortty : Member
Chairman, TM International Logistics Ltd.
- ❖ Mr. Jiban Saha : Member
Director, Rachana Apparel Pvt. Ltd.
- ❖ Mr. Sandipan Chakravortty : Member
Chairman, TM International Logistics Ltd
- ❖ Prof. Chiranjib Bhattacharjee : Member
Pro-Vice Chancellor, Jadavpur University
- ❖ Mr. Sandip Saha : Member
Registrar, RCCIIT
- ❖ Prof. (Dr.) Anirban Mukherjee : Member Secretary
Principal In-Charge, RCCIIT

In pursuant to the expiry of the present Board of Management (BOM) on 23.12.2022 the State Government in the Department of Higher Education nominated Dr. Abhijit Chakrabarti as new Chairman of the society vide GO No. 484-Edn(T)/5C-04/13 dated. 23.12.2022.

The Board of Management of RCCIT Society has time to time reconstituted the Governing Body (BOG) of RCCIIT to look after the resource development and operational activities of the institute.

The members of the present BOG are:

- ❖ Shri Pranabesh Das : Chairman
Currently designated as Director of Technical Education,
Govt. of West Bengal
- ❖ Shri Jiban Saha : Vice Chairman
Currently designated Director, Rachana Apparel Pvt. Ltd.
- ❖ Prof.(Dr.) Chiranjib Bhattacharjee : Member
Currently designated as Pro-VC,
Jadavpur University and Professor (Chemical Engg.),
Jadavpur University
- ❖ Prof. (Dr.) – Ing. Omkar Nath Mohanty : Member
Director, Technology & Academic Initiative,
RSB Metaltech., RSB Group. Formerly has worked as:
Professor, IIT Kharagpur; Director Scientist, NML Jamshedpur;
Director, R&D Tata Steel; Vice Chancellor, BPUT, Odisha
- ❖ Mr. Subhodip Ghosh : Member
Director General,
The Bengal Chambers of Commerce and Industry
- ❖ Dr. Dibyendu Kar : Member
Currently designated as Registrar, WBJEEB
- ❖ Mr. Debashis Datta : Member
Jt. Secretary, WBSCHÉ and Retd. WBA & AS
- ❖ Prof.(Dr.) Krishnendu Chakraborty : Member
Presently working as Principal,
Govt. College of Engineering & Ceramic Technology
- ❖ Dr. Utpal Garain : Member
Professor, CVPR Unit,
Indian Statistical Institute (ISI), Kolkata

- ❖ Mr. Somnath Chatterjee : Member
CEO, Webel Technologies Ltd. (WTL)
- ❖ Prof.(Dr.) Indrajit Pan : Member
Professor, Dept. of IT, RCCIIT
- ❖ Mr. Harinandan Tunga : Member
Associate Professor, Dept. of CSE, RCCIIT
- ❖ Prof. (Dr.) Anirban Mukherjee : Member Secretary
Principal In-Charge, RCCIIT
Professor of Information Technology

Finance Committee

A five member finance committee exists to look after the financial activity of RCCIIT. The present members of the Finance Committee are:

- ❖ Mrs. Sampa Guha : Member
Deputy Financial Advisor, Higher Education Dept. Govt. of W.B.

❖ Presiding Officer, Internal Complain Committee (ICC)	: Dr. Shilpi Bhattacharya, Assoc. Professor & HOD, EE Department

Admission

Admissions to 90% of the seats in the B. Tech courses are through the West Bengal Joint Entrance Examination for Engineering & Technology (WBJEE) while 10% of the seats are filled through JEE (Main). Additional 5% seats are allotted in Tuition Fee Waiver (TFW) quota as per AICTE norms. Additional 20% students get admitted at 2nd Yr. level (lateral entry) through state level entrance examination (JELET). For admission to MCA program, 100% seats are filled up through the Joint Entrance for Computer Application (JECA). In each category of admission 22%, 6% and 3% seats are reserved for Scheduled Caste (SC), Scheduled Tribe (ST) and Physically Challenged (PC) candidates respectively as per AICTE/State Govt. norms. Admission to M. Tech courses of IT, CSE & Telecommunication Engineering is through Central Counseling organized by MAKAUT (formerly WBUT) for the candidates qualifying GATE/PGET. The admission scenario in 2022-23 AY is depicted in the tables below.

Admission Status in B. Tech & MCA:

Discipline	Total Intake	Admitted
Computer Science and Engineering (CSE)	120+6(TFW) =126	112
Information Technology (IT)	120+6(TFW) = 126	117
Electronics and Communications Engineering (ECE)	120+6(TFW) = 126	96
Electrical Engineering (EE)	60+3(TFW) = 63	14
Applied Electronics and Instrumentation Engineering (AEIE)	30+2(TFW) = 32	00
Master in Computer Application (MCA)	60	52

Admission status in M. Tech:

Discipline	Total Intake	Admitted
Computer Science and Engineering (MCS)	12	06
Computer Science and Engineering (Artificial Intelligence)	12	05
Micro Electronics & VLSI Technology	12	00

Free ship

Following State Govt. norms, RCCIIT is providing full free ship and half free ship respectively to maximum 10% and 5% students of each batch in each discipline every year since 2004-2005. This implies waving full or half tuition fee and the recipients are selected each year on the basis of merit and financial status. The number of recipients of free ship every year during the period reported is listed below. Minority candidates are given due consideration while selecting the beneficiaries.

Year	Free ship beneficiary
2022-2023	Half free ship:- 50

Academic Performance of the Students

The academic performance of the students is reflected through the semester-wise SGPA, year-wise YGPA and degree-wise (upon full course completion) DGPA score awarded by the University. The following table illustrates the department-wise pass percentage of the academic performance (DGPA) of the B. Tech, M. Tech and MCA students during the 2020-2021 & 2021-2022 academic years.

Program Name with Program Code	Academic Year 2022-2023		
	Number of students appeared in the final year examination	Number of students passed in final year examination	Average Pass Percentage (%)
B. Tech in Computer Science and Engineering (CSE) (Code: 001)	132	130	98%
B. Tech Information Technology (IT) (Code: 002)	120	120	100%
B. Tech Electronics and Communications Engineering (ECE) (Code: 003)	108	104	96%
B. Tech in Electrical Engineering (EE) (Code: 016)	52	50	96%
B. Tech in Applied Electronics and Instrumentation Engineering (AEIE) (Code: 055)	31	31	100%
Master in Computer Application (MCA) (710)	60	53	88%
M. Tech in Computer Science and Engineering (MCS) (Code: 112)	04	04	100%
M. Tech in Computer Science and Engineering (AI) (Code: 615)	06	05	83%
M. Tech in Microelectronics and VLSI Technology (MVT)(Code: 136)	05	05	100%
Total	518	502	96.91%

Placement Records

The following charts show the graduation year wise percentage (%) of total opportunities of placement created through the Training & Placement Cell of RCCIIT.

Student Activities

Tech Event

The students organized technical fest, traditionally, called **Techtrix**. Competitions in Computer Gaming, Coding, Paper Presentations, Quiz, Debate, Robotics, Sudoku, Model Making etc. were held in the campus as part of Techtrix. Students from many engineering colleges participated in these competitions.

Cultural Fest

The annual cultural fest **Regalia** was organized by the students. Students from various colleges participated in events like Choreography, Skit, Antakshari, Solo/ Group Song. Performance of music Bands, star singers and Fashion Shows were some of the other attractions of the fest. The best performers were awarded.

Apart from the above cultural event there were exhibitions and competitions in which creative skills of the students were been expressed in the form of wall magazine articles, poetry, paintings, photography and art exhibition etc.

Sports Activity

Game of Thrones (GoT), the inter college annual sports event of the college and **Krirathon**, the intra-college sports events organized by the students in which football, cricket, badminton, carrom, table tennis competitions were organized and winners have been awarded.

Faculty Strengths

RCCIIT maintains a rich pool of faculty members having qualification as per AICTE norms. The following tables depict the department-wise and cadre-wise faculty strength in the period reported.
