

Report on the Seminar entitled 'Motivational Story of a Successful Entrepreneur' held on 16th October 2023

On 16th October 2023, a seminar was organized by Institution's Innovation Council (IIC) in collaboration with Internal Quality Assurance Cell (IQAC) of RCC Institute of Information Technology on 'Motivational Story of a Successful Entrepreneur', where Dr. Arijit Chatterjee, Co-founder and Chief Product Officer of Smart App Inc, USA made a virtual journey down the memory lane by reminiscing the days started at RCCIIT way back in 2003 to the ups and downs of academic and industry life at USA. The auditorium of RCCIIT was packed up with the fellows from teaching and student fraternities, where the speaker presented a pictorial collage of various landscapes as he faced during the grown-up phase, in academia, as professional and also the different curves and opportunities. Dr. Chatterjee shared his views about the positivity in taking decisions, about taking challenges, how to raise the bar at every stages of life, and how to adopt various technical cultures during professional path. During the one hour session, he expressed the life-sessions as learned from different hierarchies, and shared also the dream behind the present role as entrepreneur. Dr. Chatterjee revealed the role of self-motivation and passion to change the track of carrier, and also the role of generative AI with enterprise customer. At the end, he acknowledged the role of passion in setting the future of next generation.
