

Report on the Seminar entitled ‘Enrichment of Accreditation through Quality Analysis’ held on 20th July 2023

On 20th July 2023, a seminar was organized by Internal Quality Assurance Cell of RCC Institute of Information Technology on the theme ‘Enrichment of Accreditation through Quality Analysis’ for the employees of the Institute. Dr. Ayan Chandra from St. Xavier’s College, Kolkata delivered the lecture where he briefly discussed about the procedure to be followed after accreditation for its sustainability and some salient features of the process. He also suggested a few practical working strategies that may be taken up by the Institution while going for the second cycle of NAAC process. Dr. Chandra showed the important components of the Self Study Report and discuss the metrics therein. The need of supporting documents that are required as exhibit for the accreditation are elaborated. All the participants enjoyed the session, and the seminar was truly interactive. Few glimpses are given below:

Based on the feedback outcome of the program is quantified and mapped with existing mission of the Institute, which is represented in graphical form.
